

Naturist Ramblers - Walk Registration Form

Registration

Welcome to our Naturist Ramblers walks. We hope you will thoroughly enjoy the experience. We take part in these walks purely for the pleasure that walking nude through pleasant countryside among kindred spirits can bring. We have no intention of making any public demonstration or offending other people in any way.

Membership is open to all naturists who agree to abide by the Naturist Ramblers Constitution. Before we set out, we ask you to accept full responsibility for your own participation in this walk. These walks are volunteer led, this means you are responsible for your own safety at all times.

The Walk Leader will tell you when it is suitable to be nude or not. It is a requirement for those who take part that they should cover up when told by the Leader to do so.

Although walking is inherently one of the safest outdoor activities, no activity is completely without risk and it is each walker's responsibility to behave sensibly and to minimise the potential for accidents to occur. Be particularly careful climbing over wet stiles which is where accidents can occur.

Every year since 1993 these walks have taken place without serious problems arising from encounters with the textile public, and we feel confident that the walks this year will be no different in that respect.
